

CONSULTANT

Jan Kochmann

Jan Kochmann is an Associate Partner of CEVEYGROUP. He has studied Journalism, Political Science and Romance Philology and has spent some time at the Lee Strasberg Theatre Institute in Los Angeles.

His consulting and training focus is on leadership, communication, change, sales and personality.

"For me, contemporary consulting means developing people and organizations in equal measure. Open communication, strengthening strengths and having a motivating and solution-oriented effect through direct practical relevance are particularly important to me."

LEADERSHIP

- Conception and implementation of workshops
- Leadership and communication with employees
- Induction of managers and project leaders
- Leading remote and getting to the point
- Healthy leadership
